ON THE SCENE

HONG KONG AUTOBONE

When the service technician told me the cost of a new battery plus labor I felt a knife in my gut.

3886 fucking Hong Kong dollars! That's 500 fucking US dollars!

I had enough money in my checking account, barely, but those funds were for rent and utility bills and groceries. Of course, a working vehicle was an absolute necessity. Without a car I couldn't drive my ass to work and earn my paltry pay.

Mine was a precarious situation. Still, this was nothing new. I was accustomed to barely scraping by.

And using my good looks to get out of jams.

This was looking like one of those times when I would need to work my magic on yet another hapless male. By "magic" I mean suck and/or fuck.

Cops. Landlords. Doctors. I had seduced men from all walks of life to avoid parting with my hard-earned money. I loved sex, so why the hell not? It was a win/win scenario. The man got some good pussy, and I got some hard cock while remaining financially afloat.

Now I frowned at the service technician and said, "That much? I had no idea . . ."

"I'm afraid so, ma'am."

"Gosh."

He stood behind the counter, his attention torn between a computer screen and yours truly. I had worn my favorite summer dress for this very reason; it was lowcut and showed my cleavage. Experience had taught me that no man could resist the allure of my all-natural knockers.

I bent forward none too subtly, giving him a nice view of the tops of my peaks. "I'm afraid that's out of my price range. You see, I'm on a fixed budget."

"That's too bad."

"A tight budget," I continued. "And I mean really tight. Why, you wouldn't believe how tight . . ."

The service technician caught on fast. I could see it all over his face. He knew I was referring to something other than my finances. Would he take the bait? I certainly hoped so. Coming on even stronger wasn't an option. The small waiting area was full of customers, so I couldn't exactly flash my tits or lift the hem of my dress to show him even more. I was a bold gal, sure, but not quite that bold.

"So," I broke the silence, "where does that leave us? I mean, what exactly are my options here?"

He scratched the back of his neck. "Well, you could always take it to an auto parts store. The battery would be cheaper, and they might even install it for free. It all depends on how busy they are."

I appreciated his honesty. Hell, the guy was referring me to a competitor. His boss would have been furious. As for me—well, I was pleased to learn of a more affordable option, but disappointed that the service technician hadn't taken me up on my offer.

He gave me a jump and wished me luck. I thanked him and drove straight to the auto parts store he had recommended. Everything he had told me was true. The battery was cheaper. And the female cashier told me

that one of her coworkers would install it just as soon as he finished what he was doing in the stockroom.

Toting the new battery underneath my arm, I exited the store and walked to my car. I went ahead and raised the hood so it would be ready to work on when the guy finished up inside. It was almost too hot to wait in the parking lot. I considered going back inside the store where it was nice and cool. No sooner had the thought entered my mind than the guy joined me outside.

"Sorry you had to wait," he said. "I was in the middle of an important call . . ."

I read the nametag on his shirt. "No worries, Chen."

Chen told me that he had been

on the horn with Huan, the service technician who had referred me to the auto parts store. Apparently the two of them were best buds. Huan was cute. Chen was even cuter.

It was Saturday. No doubt Chen was ready to go home and enjoy what remained of his weekend. I figured he probably worked six days a week.

"That should do it," he said after installing the new battery. "Good as new."

"How much do I owe you?"

"No charge," he replied, wiping his hands with a grimy rag.

I knew this, of course, but had asked the question with hopes of steering our conversation into another area. Searching his face, I said, "Surely you wouldn't be opposed to a tip . . ."

"We're not allowed to take tips."

"That's awful."

"Company policy."

Meanwhile, the other employees had driven away in their cars. The cashier was the last to leave; she told Chen to be sure to lock up before he went home.

"Will do, Dandan," he said. "See you Monday."

Now it was just the two of us. I had watched Chen closely while he had installed my battery. He was tall and rangy, the muscles in his arms earned from hard labor as opposed to reps in a trendy gym. I wanted to feel his coarse hands all over my body, wanted to see the size of his most important tool.

I noticed that mine was the only car in the parking lot. "Do you need a ride home?"

"I'm good," Chen said. "Huan's on his way."

"You two are good friends, huh?"

"Oh yeah. I've known Huan since high school."

Huan showed up in a matter of minutes, whipping into the parking lot in a muscle car with a throaty engine and a jacked-up rear. I thanked him for the referral, adding that his friend had taken real good care of me. Huan grinned at his friend, something unspoken passing between the two of them.

"She wanted to give me a tip," Chen said to his friend.

"That was nice of her," Huan remarked, his eyes mentally undressing me.

"The offer is still good," I said matter-of-factly. "For you too, Huan."

My words hung there between us. Chen turned on his heels and walked toward the store. Huan and I followed him inside. Chen locked the door, then led the way to a neatly organized stockroom which smelled like a new car. Nobody said a word. We all knew why we were there.

I made the first move, lowering the front of my dress to liberate my finest feature. Chen and Huan gaped at my big titties. I raised my hands, caressing and kneading the soft flesh while tugging on both nipples. Huan couldn't resist. Next thing I knew he was licking and sucking my conical tit-toppers.

Chen knelt before me and lifted the hem of my dress, up and up until it became apparent that I had left my panties at home. He pressed his mouth to my cunt, exploring me with his questing tongue.

Here they were, I thought, servicing me when I was the one who should have been tipping them. Still, I didn't protest. Their time would come.

Moments later, having worked me into a frenzy of lust, Huan and Chen dropped their workpants. Now it was my turn to gape, the natural reaction when faced with two big fat cocks. I crouched and went to work, taking Chen in my mouth while stroking Huan with a deft hand. Things continued in this fashion until I pulled a switcheroo, sucking Huan's sizable schlong while treating Chen to a superla-

tive tugjob.

At this point my nipples were stiffer than carboard, my pussy wetter than a waterslide. I rose from the floor and hastened to a nearby desk cluttered with packing slips and invoices. Pushing the papers aside, I hopped atop the desk and lay there in sweet anticipation. I didn't have to wait long.

Huan got first crack at me. Having lifted the hem of my dress and parted my thighs, he skewered me like a spike. I cried out, biting my lower lip as my pussy stretched to accommodate his mammoth member.

He didn't waste time, pounding me good and proper from the get-go. I lifted my knees and turned my head to the side, watching Chen stroke himself as his friend fucked me. My titties bounced with each of Huan's forceful thrusts, a visual treat for both of them.

Massaging my tits with one hand, I lowered the other and diddled my clit; this in tandem with Huan's relentless reaming of my cunt had me feeling downright sublime. I didn't want it to end.

Without warning, Huan pulled out. Chen took over immediately, plunging his prick inside me. Getting sloppy seconds didn't dampen his enthusiasm in the least. He fucked me just as hard as his friend, perhaps even harder. Certainly faster.

Not content to stand there and play with himself, Huan came around to the other end of the desk so that he could fuck my face. I opened wide to receive his swollen throbber. Grabbing a handful of my hair, he thrust repeatedly, burying his bologna in my hungry maw; slobber ran down my chin as his glans tapped the back of my throat.

Chen surprised me when he withdrew and went down on me for a second time, especially when the tip of his tongue found my other hole. Spreading my ass cheeks with his hands, he poked and prodded my butthole with impressive skill. The man could eat some serious ass.

Our torrid threesome ended abruptly when Huan grunted and exploded inside my mouth. This prompted Chen to stand and dump his load all over my stomach.

"Did you come?" Huan asked me after he had caught his breath.

"Twice," I told him truthfully. Then I asked him about Chen. "You must've called him right after I left the garage."

Huan nodded. "I told him I was sending him a real looker with a big rack. Of course, I had no idea things would turn out like this."

"Why did you reject me? You had to have known I was down to fuck?"

"Sure, I knew. But we wouldn't have had the place to ourselves. Those grease monkeys at the garage like to hang around on Saturday nights and drink beer and play cards."

"I see."

"I was pleasantly surprised when I got here to pick up Chen and you were still hanging around."

"I was going to fuck his brains. Then you showed up and I decided to do you both."

"The more the merrier," Chen remarked.

We got dressed and left the store together, Huan and Chen in Huan's muscle car and me in my little hatchback. My pussy was going to be sore tomorrow, but it would be a good sore, the kind of ache that comes after an especially strenuous workout.

Would you believe that Chen gave me a full refund on my purchase? Well, he most certainly did. My new battery, labor included, cost me absolutely nothing. I wasn't all that surprised. It wasn't the first time that I had used my body to save money.

And it wouldn't be the last!

louisa

While most people prefer to drink as their “pregame warm-up,” I like to play with myself. Sex is always better if I’ve cum at least three times. Then I’ll play with his marvelous cock to be sure he is warmed up until it’s time for both of us to cum.

NATSUMI

LOSING MY VIRGINITY TO A CAMGIRL

I chuckled in disbelief. If not for the physical evidence, I wouldn't believe any of that had been more than a silly figment of my imagination. But there's a video of it all, and thousands of people have seen me lose my virginity to the hottest camgirl in existence!

When I entered for the chance to fuck my favorite camgirl, I never actually expected to win. Thousands had applied, and I doubted how appealing my application would be when I wrote down that I was a virgin. I received an email for a follow up interview, and two weeks later I was standing outside the hotel room wiping my sweaty hands down my pants.

Stepping into the room, I was greeted by Natsumi lounging on the bed, her tits barely contained by a black bra. Behind her sat a burly guy with a camera.

"Hey there, sexy," Natsumi patted the space beside her on the bed. "Come on in." I swallowed hard, stiff limbs carried me towards her before I could chicken out. After getting a closer look at her tits, my legs were no longer the stiffest part of my body. Natsumi noticed me readjusting while I sat down and grinned. "Let's get you out of these clothes, shall we?" she reached out to unzip my fly. I lifted my hips, allowing her to tug my clothes down my legs and free my rigid shaft. It bobbed, already leaking precum as Natsumi wrapped a manicured hand around it and stroked me.

"Mmm, not bad," she murmured, pumping her fist. "Lie back and let me take care of this for you, baby." I settled back as Natsumi shuffled down between my spread thighs. She wrapped her lips around the head of my cock and sank down, taking me deep into her mouth.

"Holy fuck."

I fantasized about this moment so much in the following weeks, but the reality was so much better than I could have anticipated. She could take me all the way to the base, her nose pressed against my pubic hair as she swallowed around my throbbing cock. And the way she looked up at me was enough to make me blow my load immediately. After a few minutes of her head bobbing up and down my full length, I urged her off. She released me with a loud slurp and a strand of saliva connecting her bottom lip to the tip of my dick.

"Get up here," I demanded. She made a show of taking off her bra and throwing it to the side before she finally joined me on the bed. The cameraman handed her a condom that she swiftly unwrapped and slid down over my dick. Natsumi straddled me, and my face grew hot watching her fingers move her thong to the side and position my cock

NATSUMI

LOSING MY VIRGINITY TO A CAMGIRL

against her pussy. My hands settled on her waist to help keep her steady. Then, with a roll of her hips, she sank down. I groaned, my fingers digging into her skin as I savored the warm, wet heat surrounding my cock.

"Fuck, you're so tight." I clenched my jaw, hips beginning to thrust up into her. Natsumi giggled and ground her clit down against me.

"Mmm, and you're so big," she braced her hands on my chest as she bounced on my cock. "Don't hold back, baby. Fuck me hard!" I gripped her waist and slammed up into her. The sound of our skin slapping against each other filled the room and mingled with her moans. My orgasm was building, the sight of her full, bouncing breasts was too hypnotizing to look away from.

"Shit, I'm gonna come," I warned.

"Then come for me, baby," her pussy clenched around me, encouraging me. I thrust up one last time, grinding my pelvis against hers as I exploded. My cock jerked and twitched, spurting thick jizz into her. Well, into the condom, really. Once I softened and slid out of her, Natsumi removed and held up the full condom, showing it off to the camera with a smile.

"Look at all this yummy cum," she cooed, squeezing the latex from the bottom up until a stream of white spilled out onto her heaving tits. She smeared it into her skin and winked at the camera. Tossing the empty condom aside, and turned towards me.

"Ready for round two, stud?" Natsumi positioned herself on all fours in front of me, wiggling her hips invitingly. My cock surged back to full mast in no time. I grabbed a new condom from the cameraman and rolled it on. Admittedly, I was much slower than she had been, and my fingers were shaking. I kneeled behind Natsumi, positioning my cock around the area I thought was right. She reached back to correct my aim and I finally sank back into her tight cunt. She let out a low moan, arching her back to take me deeper.

The camera pointed down to view her ass. Each snap of my hips brought ripples across her skin and a new, sweet groan from her lips. For a moment, she froze and tensed up. I paused, surprised to feel her slick walls contract and grip me like a fist. She screamed, squirting all over me and the white sheets below. After she came down from her orgasm, I continued pounding her.

"Fuck, you have a perfect ass." My breathing was heavy and I knew I wasn't going to last much longer. I pulled out and tore off the condom, stroking myself a couple times before I was shooting ropes across her ass and up her back. Everything I had went into that orgasm. I pulled back to let the camera have a view of her soaked skin. My balls ached, and my thighs trembled with exhaustion. Natsumi gave me a parting kiss before climbing off the bed.

"Well, baby, that was fun," she said. I chuckled in disbelief. If not for the physical evidence, I wouldn't believe any of that had been more than a silly figment of my imagination. But there's a video of it all, and thousands of people have seen me lose my virginity to the hottest camgirl in existence!
